

Technical data sheet

2014

PRECONTRAIT 411

Technical properties	Product	Standards
Weight	430 g/m ²	
Thickness	0.30 mm	
Width	90 – 110 – 135 – 160 - 270 cm	
Length of rolls		
Standard format length		
Physical properties		
Tensile strength (warp/weft)	200/200 daN/5cm	
Tear strength (warp/weft)	18/18 daN	
Fungistatic treatment		
Flame retardancy		
Rating	M1	
Euroclass		
Management systems		
Quality		ISO 9001
Environment		ISO 14001
Certifications, labels, guarantees, recycling		

The buyer of our products is fully responsible for their application and their transformation with regard to any possible third party. The buyer of our products is responsible for their implementation and installation according to the standards, workmanship and safety regulations in force in destination countries. For information on our contractual warranty, please refer to the relevant terms and conditions.

The values quoted above represent results of tests performed in compliance with common design practices and are provided for information only to enable customers to make the best use of our products. Our products are subject to changes based on technical advances and we reserve the right to modify their characteristics at any time. The buyer of our products is responsible for checking the validity of the above data.
